MASTER TECHNICIAN – LIGHT DUTY DIESEL

ABOUT THE ROLE

At Strictly Diesel, we believe that Great Companies are built through a never-ending pursuit of **Craftsmanship**, **Collaboration** and a **Shared Standard of Excellence**. We're looking for a Master Technician who wants to Grow, Contribute to a Strong Team Culture, and Take Pride in work that Customers Genuinely Value. You won't just "fix trucks" here, you'll Help Elevate the Entire Shop.

WHAT YOU'LL DO

- Lead Advanced Diagnostics with a focus on Craftsmanship and Continuous Improvement
- Mentor Junior Technicians and Contribute to Developing their Technical Capability
- Partner with Service Advisors to ensure Clarity, Accuracy and Customer Confidence
- Participate in Team Huddles, Improvement Discussions and Problem-Solving Sessions
- Uphold our High-Performance Standards in Quality, Communication and Accountability

WHAT WE'RE LOOKING FOR

- A Technician who Values Teamwork as much as Technical Skill
- Strong Diagnostic Mastery with a Willingness to Teach and Collaborate
- Pride in Workmanship and a Drive to Improve Processes and Results
- Strong Communication Skills and Customer Awareness
- A Mindset Aligned with Professional Excellence and Continuous Learning

WHAT WE OFFER

- A Professional, High-Performance Culture rooted in Trust, Clarity and Team Success
- Above-Market Pay with Performance Incentives tied to Quality and Contribution
- Personalized Career Development Planning, including Paid Training and Certifications
- A Team Environment where Your Voice, Ideas and Craftsmanship Matter
- Career Pathways that Support your Long-Term Growth in the Industry

HOW TO APPLY

Send your Resume along with a brief Cover Letter telling us why Strictly Diesel's Team Culture appeals to you to : management@strictlydiesel.com

We hire for **Skill**, **Character** and **Team Fit** – not just Experience.
